Advantages:

1) Improved product quality
2) Reduce consumption of product, usage at safety margin glue application
3) High shear homogeneous mixing efficiency
4) Faster corrugators speed due to adjusted gel temperature
5) Stable viscosity, consistence product,
6) Adjust product viscosity as per requirement (related with variation of paper, starch, additives & water)
7) Stable product property while transferring
8) Production loss by human error is eliminated
9) Low cost, less expanse in purchasing modified starch
10) Low labor cost,
11) Low wastage in handling & transferring
12) Data storage facility

Features:

1) Compact design
2) Low maintenance
3) Process Control Panel with SIEMENS electrical switch gear
4) Easy operation
5) Sturdy SS square pipe frame mounting unit
6) THAMES SIDE UK. Accurate weighting control system
7) Trouble free transferring and pumping system
8) Stainless steel mixing vessel & other pipes
9) High shear homogeneous mixing agitator
10) Standard make electric motors, air valves and other operating component

Specifications:

Sr No	Model No	GCM-1000
1)	Working Capacity	1000 KGS
2)	Machine Outer Dimension (Feet)	23.5'L x 6.75' W x 14.75'H
3)	Electrical Load	26HP

Our Products:

1) 'Gum Corru Mix' an integrated fully automatic glue kitchen & circulating system for 3ply & 5ply automatic corrugated board making plant,
2) Automatic circulating system for single facer manual corrugated board making plant,
3) Cold Gum Mixing Machine
4) Hot Gum (Cooking) Machine
5) Automatic Gum Powder processing plant to produce pasting, corrugation & dextrin gum powder

GUM CORRU MIX

The Advance Starch Glue Preparing Technology

GUMCORRU MACHINES
A unit of N. P. Machinery & Equipmetns.

We, GUMCORRU MACHINES, The Pioneer manufacturer of Glue & Adhesive Processing Machinery is having a wide and quality making experience Since 1988. Because of grand support of our valued customer providing them complete Glue preparing solution and improving quality standards and their satisfaction of our after services offered, we have been accepted as the reputed suppliers in corrugation Industries. YOU NEED, WE SUPPLY.
